

Simpler Times Village Coloring Pages

by Sarah Janisse Brown

The Little Village Makers, LLC ~ Madison County Indiana 2008 ~ www.ruralvillage.org ~ (800)581-3603

Just like this coloring book, Simpler Times Village is being designed especially for children. This book is full of drawings based on what Sarah Brown imagines that Simpler Village will become. The designers, builders and architects that are helping to make our village real will be looking at these same drawings to learn how to make Simpler Times the place we dream of.
